ATTILA BALATONI

FRONT-END WEB DEVELOPER

ABOUT ME

I am a web developer with a diverse set of technical and interpersonal skills. I graduated from **Vefskólinn** in 2021, then worked as a trainee at **Kolibri** and professionally as a freelancer. My background spans a wide range of additional fields including law and international event management. I co-founded a travel agency in Iceland and brought two innovative ideas to market in the Icelandic tourism industry: **Bubbles** and **Floating**.

SKILLS

Programming Languages
JavaScript, TypeScript, GraphQL, Python, HTML, CSS, Sass

Libraries & Frameworks
React, Next.js, ReactNative, Tailwind

Tools & Platforms
GitHub, Vercel, Heroku, Node.js, MongoDB, Docker, Prismic, GraphCMS, WordPress, FramerMotion, Figma

EXPERIENCE

Freelance Developer
September 2022 - Present
- Planning the development process, selecting the appropriate technologies and tools
- Setting up hosting environments and deploying web apps
- Communicating with clients and providing client training

Front-end Web Developer Intern • Kolibri ehf.
May - August 2022
